Chieftain

The Chieftain

*Calumet Township
High School
Gary, Indiana*

1956

Foreword

As the years pass, the memories of our school life will grow faint. The routine of school days and the fun we had will be gone forever. As you glance through the "56 Chieftain" in years to come, we sincerely hope you will recapture those memories and relive them once again.

Administration

HAROLD F. DeVAULT
Township Trustee

Under the present administration of Mr. DeVault the township's scholastic program has made many advances. Two completely new schools--Long-fellow and an elementary school at 25th and Cline--have been erected, plus a thirteen addition to the high school. Besides this extensive building program, all schools have been redecorated. Two principals have been added to the faculty and a general raise in salary has been given to all teachers.

Magister Club- F. T. A.

Horace Mann, the Father of American Education, believed that the highest service we can perform for others is to teach them to help themselves. In 1937 during a centennial celebration of his work The Future Teachers of America was organized.

Magister is the Latin word for teacher. This club was organized in 1951 to enable students to become acquainted with teaching as a career. The good teacher requires physical vitality, mental vigor, moral discrimination, a wholesome personality, helpfulness, knowledge, and leadership. Through a point system the Club helps to develop these qualities.

Pan-Am

The Pan Am Club at Calumet Township High School has been organized for five years. Membership now numbers approximately fifteen. Club members include second year students and any first year students who plan to take second year Spanish. Initiation ceremonies are held in early spring.

The chief purpose of the club is to promote more interest in Spanish-speaking countries and also to promote a better understanding of the lives, habits, and customs of the people in these countries.

The Pan-Am Club also publishes a newspaper quarterly for all Spanish class members in which information concerning Spanish-speaking countries, and the Pan-Am Club activities are printed.

Student Council

The Student Council is composed of students elected from each homeroom. They represent that room in a group authorized to discuss student problems. Instead of electing an entirely new council each year, each representative is elected for two years. As new homerooms join the school or present members of the council leave, a representative is elected to take his place. In this way the council retains experienced members.

It is the duty of the representative to present all student council proposals to his homeroom and report any discussion to the council.

He should bring any homeroom problems to the attention of the council and it will determine whether they should be presented to the principal.

The accomplishments brought about by the council were the electing of a Varsity King, the use of a juke box for sock hops, and the sponsoring of students to attend two Student Congresses held at

Gary Lew Wallace and Purdue University. Various committees were formed to work on problems for the school. Some of the areas dealt with are the cafeteria, bus loading, appropriate dress, elections, and dances.

The Student Council is necessary because it is the only way student problems or recommendations can be presented to the school authorities with the understanding that the problem is supported by a majority of the students.

It is the hope of the members of the council to strengthen the council to the point where the students will be able to make a greater contribution toward the operating and functioning of our school, and where every student can be proud that he is a part of a working democracy.

Sunshine Society

POLIO QUEEN
Sharon Bucko

The Sunshine Society is mainly a charitable organization. Its object is to inspire higher ideals for high school girls, to spread good cheer, and to train girls for active citizenship.

The Sunshine Society's main project is sponsoring the polio drive within the school. This year members collected a total of \$628 from the "Polio Queen" contest, collections during basketball games, and polio cards.

They contribute to the Riley Fund and prepare Christmas baskets which are sent to needy families in the community. To raise money for this fund and the baskets the girls make Christmas corsages which they sell.

Membership in this Society is restricted to junior and senior girls. There is a formal initiation at which time all new members are taken into the society.

Senior Bible Club

OFFICERS OF SENIOR BIBLE CLUB: President, Bob Taylor; Vice-President, Ethel Stoops; Secretary and Treasurer, Diane Keith.

The Bible Club at Calumet is one of the largest clubs in the school. The purpose of the club is to encourage teenagers to live a Christian life. Because of its size it has been divided into two groups. The Sponsors are Mr. Lemene and Mrs. Erwin, who have done a fine job.

Girls' Athletic Association

One of the largest organizations in our school is the Girls' Athletic Association. Approximately 300 girls from freshmen to seniors belong to this organization. Besides being one of the largest clubs, it is the oldest one in the school. Only last year we celebrated our tenth anniversary.

The G. A. A. holds many events during the year—swimming and bowling parties, volleyball, basketball, soccer, and baseball. We also have two picnics, a semi-formal dance, and a banquet at the end of the year when all awards are presented. These awards are given on the basis of a point system whereby the girl, who has participated the most, receives recognition. A trophy is given to the girl with the most points.

Money raising projects sponsored by the G. A. A. are: the sale of decals, the handling of the cloakroom, and the corsage sale at Loyalty Day. With part of this money the G. A. A. sponsors the cheerleaders and the pep club.

Each year a trophy is presented to the "Outstanding Senior Boy Athlete of the Year."

GAFFY—Gaffney reportedly threw a 100-yard pass on Jan. 10, covering the Vikings on last year's Super Bowl as well as last season's game before Chris Trevisan left. Wainwright might add to those stories. Many from the Gaffney Stadium area, 4442, 44 Memorial Avenue.

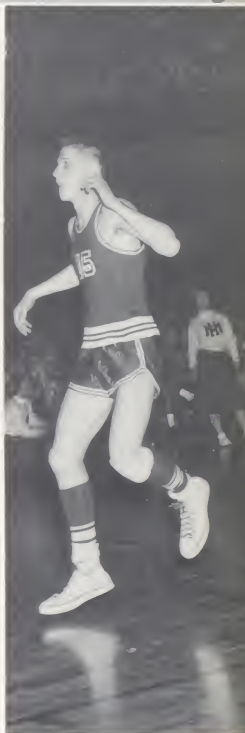

Tonight's schedule calls for Gary Wirt and Gary Hoes to battle at 7 o'clock and Gary Lew Wallace and Meritt to close the proceedings at 8 o'clock.

Camel looked like it was going home with an easy victory when the Warriors sped to a 21-8 lead midway in the second quarter. But Mank wasn't finished. The Hoosiers skinned the margin to 23-14 by halftime and to 20-28 going into the final quarter.

Calder's team built a 4-1 lead by scoring on Roy Wilkins' goal 28-30. The rest was tied a 40-40 when the Warriors converted six free throws each by Wilkins and two by PMU player Joe Vondrak in two free-throw sets with 40 seconds left to tie the final points on the board.

Rich Chantos scored 27 points and Gene Brock added 20 for East. Larry Jim Moody put 24 in the books for Hobart.

Senior History

Dear C. T. H. S. Underclassmen:

Just a little note to tell you how we spent our four years at C. T. H. S. It was not all work, but quite a bit of play.

We started our first year in high school just as green as any other freshman class. Our first duty was to elect our officers. When the voting was finished, the new officers chosen were: President, Gordon Akin; Vice-President, Bob Oracheff; Secretary, Skip Whitlow; and Treasurer, Shirley Neil.

Our Freshman activities included a Hard Luck Dance held on Friday, March 13. The small gym was decorated with paper figures of black cats and horse-shoes. To add to the atmosphere, we had a wishing well on the stage and a ladder in front of the door.

With campaign slogans ringing in our ears, we elected our sophomore officers who were: President, Gordon Akin; Vice-President, Barbara Payne; Secretary, Shirley Neil; and Treasurer, Glen Kirk. The sophomore activity was a sock hop on February 2.

Thoughts of class rings and the Junior-Senior Prom foremost in our minds, we elected the junior class officers. They were: President, Joe Carlin, Vice-President, Doris Appleton; Secretary, Lanoma Black; Treasurer, Barbara Kravetz. On December 8, our class rings arrived from the Herff-Jones Company. Boy, were they swell! Our Prom was held in Hotel Gary on May 20. The theme of the formal dance was "While We're Young." Highlighting the evening was the crowning of the Prom Queen and King--Doris Appleton and Joe Carlin.

Then it was here--our Senior year. As seniors, Roger Creel was our President; Emil Smider, Vice-President; Doris Appleton, Secretary; and Joe Carlin, Treasurer. With our election out of the way, we held a Senior Christmas Dance on December 16. The couples danced around a giant Christmas tree, which stood in the center of the gym.

As you can see it hasn't been a bit dull from our point of view. You can have just as much fun as we have had, if you'll only follow in our footsteps. So good luck and best wishes to all the underclassmen.

Sincerely yours,

Senior Class of 1956
